COL-202100

Damn it all!

Are you alright?

Please, help me ...

There's a motel close by.

A motel?

Tuesday's Motel.

Can I help you, miss?

Who are you?

You're in deep now, ain't you?

The name's Argus. Just call me "merc."

... When was that array drawn?

It'd be less than 24 hours ago.

AAAHHHHHHH!!

I didn't do this ...

Gunpowder on his fingers.

But this ain't no ordinary pistol.

You're in for a lick of trouble, that's for sure.

Take me to his room.

What are we after, boss?

Firstly, I'd like to know what happened to her.

Second ...

Whether the "Order of Enlightenment" has been here.

... Why did a Zeno officer come to this place?

This motel ...

Those calls are meant for the dead.

They say the deepest despair comes from hesitation.

It won't fool me.

Can it really be that simple?
