COL-100900

0.03%, 0.05% ... No match.

The Storm Syndrome is spreading from its critical point.

The last of our staff is estimated to arrive at ...

Try Poimandres or the Bembine Table of Isis ...

Yes, the antidote includes sulfur, Red-Flower Prickly Pear juice, and Prussian blue ...

If you're here to check on the progress, there is none.

I'm afraid you'll leave disappointed, Madam Lucy.

Send this to everyone.

... ?! This is ...

La unua ...

We must share this with everyone ...

La unua ... cirklo ...

cries

What's that?

Stop the transmission! The ritual is wrong!!!
