COL-200600

Are we really going in the right direction?

This place has nothing but grass, grass, and grass!

The "Eastern arcane skill" you said is just a deception!

No one is begging you to stay here.

Ah, wh- ... AHHH!!!

Oh, two foreign merchants!

I'm Jiu Niangzi, filling in for the former Zhili.

Are you in trouble?

Our teammates were turned into horses

and brought away by a talking giant bird!

You should not be here.

The feather man is related to some disappearances in the city.

You're a Xiangrui! Why do you have to do that?

Stop this now, or even a real Xiangrui cannot save you from the disaster.

They pretended to be merchants to get into the city.

But they are actually with the feather man!

Casting the Eastern arcane skill we're looking for

requires a price, a terrible price.

The picture of the wanted is complete. Please have a look.

Great. All thanks to that foreign lady. She must be good at ... painting ...
