COL-200100

Hey, is that gal really coming?

You really think she'd announce a plan of stealing to every living person before she acts?

And she even made a security plan for us! Haha!

Well I'll say,

she's either a maniac,

or a freaking crime genius.

Proposal for Closing the Loopholes in Guidance on Security

It is mine now.

Are you satisfied with the answer, Ms. Acey?

One last to go, Melania.

The Rimet Cup.

Now, does anyone not want to visit the Rimet Cup?

Raise your paw, please.

I ... I don't.

All right! It's unanimous!

"New Humans" is a robotics company doing the right cause.

They have never failed any mission as a sec-

I am sorry, Mr. Iverson ...

Actually, I

didn't know my entrance would be so straightforward.

Catch them!

I can't believe someone has found me ...

Am I exposed?

whimpers

"The puppy is asking for your help."

All right, puppy.

Let's make a deal.
