COL-2030500

This is taking too long. Have you finished sharpening that knife?

S-Soon, signore ...

It's difficult to work with these cracked ribs ...

Not to mention this fever ...

Ugh!

Stop whining and get to work!

Alright ...

Forgive me, signore ...

Do you think Mr. APPLe could regenerate if we only find his core?

What you're searching for isn't just any apple—it's a talking one.

This Golden Apple ... could only be an offering to the gods.

These ribbons are not decorations.

Someone used the Dionysia to infiltrate the city.

I know this armor.

Unbelievable ...

The key to the secret chamber ...

Find it at all costs!

Noooo!!

Shh ...

Quiet.

Stay close—stick to the shadows.

Vertin, watch out!

You can't bring peace through destruction.

Alexios.
