浪花击打着船舷。
The ship sways gently in the waves.

这是一艘前往新世界的船，也是一艘注定不会返航的船。
It is set for a new world, and there's no turning back.

苏菲亚：……
Sophia: ...

红发女孩自上船后，一言未发。
She hasn't spoken a word since they sailed.

一切都已成定局的现在，她唯有沉默。
The situation is final and the board is set, there's nothing for her to do but to stay silent.

重塑教众 I：……苏菲亚小姐。
Manus Believer I: Ms. Sophia.

重塑教众 I：引导之人真的不和我们一起离开吗？她……
Manus Believer I: Is the Guiding One really not coming with us? She ...

苏菲亚：……
Sophia: ...

传令人没有应答，只是不断摩挲着手中小小的圣像。
She doesn't answer, absentmindedly caressing the tiny idol.

获得它的一幕依然清晰。
She still remembers the moment she received it.

苏菲亚：您是说，您……
Sophia: Are you saying ...

阿尔卡纳：不用慌张，我的孩子。
Arcana: Fret not, my child.

阿尔卡纳：你没有听错。
Arcana: You heard me true.

阿尔卡纳：——我将于今日死去。
Arcana: I shall die today.

十四行诗：司辰，术式 α 点位准备完毕！
Sonetto: Timekeeper, location α is ready for the ritual!

红弩箭：β 点位就位！
Lilya: Location β, ready!

星锑：我和 APPLe 先生这边也好了！
Regulus: Mr. APPLe and I are ready!

维尔汀：很好！
Vertin: Good!

这场战斗的目的，自一开始就并非攻击。或者说，至少不是一场在此地发生的攻击。
This is not a preparation for an attack. At least not for an attack here.

维尔汀： 我申请使用大型神秘术收录号 000262603100008，“心向往之”——
Vertin: Requesting to use the advanced arcane skill "Aferoj Around," No. 000262603100008,

维尔汀： 传送一名极其危险的犯罪者前往巴门尼德基地！
Vertin: to teleport a top priority threat to the Parmenides Base!

巨大术式的辉光亮起，笼罩了居于中心的阿尔卡纳。
The glow of the ritual envelops Arcana.

阿尔卡纳： ……噢？
Arcana: Oh?

红弩箭： 别慌张，这只是个长距离旅途邀请。
Lilya: Loosen up and enjoy the ride.

红弩箭： ——一路顺风，伙计。
Lilya: Goodbye.

Operator I: Admiral, Hans, we made up for what we didn't do in '99.

观察员 I： 这是，这是胜利……？
Observer I: Did we win?

伊戈尔将军： 不要放松警惕。
Admiral Igor: It's too early to celebrate.

伊戈尔将军：……但为了那场战役所失去的一切，这一刻将永远铭记在世界历史上。
Admiral Igor: But history will remember this moment and honor all that was lost in this long battle.

操作员 I：稍等，汉斯！
Operator I: Wait. Hans!

操作员 I：……那是什么声音？你的监听耳机里……
Operator I: You hear that? In your headphones.

所有人都听到了它。
Everyone can hear it.

一阵刺耳的沙沙声，毫无缘由地在理应隔音的室内再次响起。
A grating static.

观察员 I：……
Observer I: ...

观察员 I：报、报告，我好像听到了一些生命信号，但是音质受到干扰，我不确定那是……
Observer I: A-Admiral, we might have a life signal, but there's too much interference.

伊戈尔将军：耳机给我。
Admiral Igor: Give me that.

这次的作战计划是临时提出的，观察室的选址也并不完备。
The plan was made with little time to spare, and the location chosen for the observation room is far from ideal.

至少室内古怪的杂音已经消失了。
But soon enough, the strange sound in the room subsides.

伊戈尔将军：……
Admiral Igor: ...

伊戈尔将军：……
Admiral Igor: ...

伊戈尔将军：不，并不是。那不是生命的声音。
Admiral Igor: No, it's nothing. There is no sign of life.

伊戈尔将军：那是……风在呼啸。
Admiral Igor: It was the wind.

众：……
Crowd: ...

操作员 I：……！也就是说……
Operator I: So, that means ...

同志们，我们做到了。
We did it, everyone.

操作员 I：——祝贺伟大的胜利日！向您致敬，向司辰小队致敬——！

众：荣耀归于为这一刻奋战的所有人！
Crowd: Glory to all who fought for this moment!

众：我们做到了！
Crowd: We did it!

观察室内迎来了最终胜利的欢呼。
The observation room erupts in triumph.

阿尔卡纳，死亡。
Arcana, deceased.
